

Company Profile

About Us

Founded in 2014, Blackbox Investments is a leading commodity trading company dedicated to transforming Zimbabwe's industrial supply chain. Our mission is to be the trusted principal distributor of high-quality raw materials, empowering the nation's manufacturing, industrial, and mining sectors with reliable, efficient, and cost-effective sourcing solutions.

Why Choose Blackbox Investments?

- **Unmatched Supply Chain Expertise** – Leveraging our global network, we secure premium-grade raw materials and ensure seamless delivery to keep your operations running smoothly.
- **Commitment to Quality & Consistency** – We prioritize excellence in sourcing, providing only the finest materials that meet stringent industry standards.
- **Driving Industrial Growth** – As a key partner to Zimbabwe's manufacturing base, we bridge supply gaps, reduce downtime, and enhance productivity for sustainable economic progress. With a vision to become Zimbabwe's most dependable supply chain leader, Blackbox Investments combines strategic sourcing, logistical precision, and customer-centric service to fuel the nation's industrial advancement.

Vision

To be recognized as the pioneers of Zimbabwe chemical supply reaching for highest benchmarks in terms of global procurement activities, logistics and in-country warehousing and distribution.

Mission

Value creation for our customer base through cost saving benefits, constant drive for superior service delivery and reliability with respect to clientele's expectations.

Mining Chemicals

Industrial Chemicals

Water Treatment
Chemicals

Commodity Polymers

Oils and Lubricants

Agro-chemicals

Grain Trading

Blackbox Investments provides top quality certified mining chemicals. Our product range includes Gold and Lithium chemicals, floatation reagents, grinding media, and collectors that are tailored to meet the specific needs of our clients.

Chemicals

- Sodium Cyanide
- Activated Carbon
- Caustic Soda
- Hydrogen Peroxide
- Borax Anhydrous
- Lime

- Flotation Agents
- SIBX - Sodium Isobutyl Xanthate
- SEX - Sodium Eth Xanthate
- CMC - Sodium Carboxymethyl Cellulose

- Sodium Carbonate
- Acids
- Ferrous Sulphate
- Assay Litharge
- Wire Wool

- Other Chemicals
- Calcium Hypochlorite
 - Glycerine

Industrial Chemicals

We offer a comprehensive range of industrial chemicals that cater to different manufacturing sectors such as food and beverage, paint and construction, cosmetics and personal care as well as cleaning and detergents.

Food & Beverages	Paint & Construction	Cosmetic & Personal Care	Solvents	Cleaning & Detergents
Glacial Acetic Acid Mono Propylene Glycol Citric Acid Calcium Propionate	Iron Oxides Titanium Dioxide Alkyd Resins Styrene Acrylic Emulsion	White Oil Glycerine Petroleum Jelly Stearic Acid	Benzine Isopropyl Alcohol White Spirits Xylene	Sulphonic Acid Sodium Lauryl Sulphate Nonylphenol Ethoxylates Soda Ash Light

Water Treatment Chemicals

Water treatment is a critical process for many industries, we provide a comprehensive range of water treatment chemicals to ensure the quality and safety of water used in industrial processes. Our products include coagulants, flocculants, disinfectants and PH adjusters.

- Coagulants
- Flocculants
- Disinfectants
- pH Adjusters

Grain Trading

Corefields Investments is an Agro-business enterprise specializing in row cropping, soft commodity trading, and value-added processing within the SADC region. With a strong commitment to sustainable agriculture and food security, Corefields integrate modern farming practices with strategic commodity trading to deliver high-quality produce to local and international markets.

Our end-to-end value chain encompasses:

- **Row Crop Production:** Cultivating staple crops with precision agriculture techniques to maximize yield and efficiency.
- **Soft Commodity Trading:** Facilitating the regional and global trade of agricultural commodities with a focus on reliability and market responsiveness.
- **Processing & Packaging:** Adding value through advanced processing and packaging solutions, transforming raw agricultural outputs into finished products for retail and industrial use.

By leveraging innovation, strategic partnerships, and a deep understanding of the SADC agricultural landscape, Corefields Investments ensures food security, promotes economic growth, and delivers excellence at every stage of the supply chain.

- Rice
- Maize Meal
- Popcorn
- Salt
